SUPPLEMENTAL RESPONSE TO OFFICE ACTION

Mail Stop Amendment

Commissioner for Patents

PO Box 1450

Alexandria, VA 22313-1450 Commissioner:

This paper is submitted as a supplemental response to the Office Action dated June 28, 2005. The response to the Office Action was submitted by Applicants on October 28, 2004. Applicants indicated in the response to the Office Action that an executed declaration of the inventors pursuant to 37 C.F.R. §1.131 to antedate Davis (WO00/41669) was forthcoming. Applicants submitted a first Supplemental Response on November 24, 2004, which included the declaration of Sunil Chada, Abner Mhashilkar, and Jack Roth, under 37 C.F.R. §1.131, and a Petition under 37 C.F.R. §1.47(a) to allow for submission of the declaration under 37 C.F.R.

§1.131 without the signature of inventor Tapas Mukhopadhyay since he could not be located despite the diligent effort of Applicants to locate him.

On December 11, 2004, Applicants received a facsimile from Dr. Mukhopadhyay in India that included a signed declaration of inventors pursuant to 37 C.F.R. §1.47(a). The executed declaration of Dr. Mukhopadhyay is included herein as Exhibit 1. Applicants will not resubmit the exhibits cited in the declaration since are unchanged and have been previously submitted. Therefore, the declaration under 37 C.F.R. §1.131 is fully executed by all inventors of the instant invention.

Although Dr. Mukhopadhyay did not write in a date next to his signature, the facsimile of the pages of the declaration includes a date of "Dec. 11 2004" in the upper right hand corner of each page of the declaration. Applicants assert, therefore, that the declaration of Dr. Mukhopadhyay is fully executed, dated, and valid. If, for some reason, the Examiner believes the absence of a handwritten date invalidates the declaration, then Applicants draw the Examiner's attention to the Petition under 37 C.F.R. §1.47(a), which was submitted on Nov. 24, 2004, in accordance with instructions of the Examiner and the Petitions Office of the U.S.P.T.O. Thus, Applicants will presently not withdraw the declaration under 37 C.F.R. §1.47(a) until such time as the Examiner acknowledges receipt of the fully executed declaration of each of the inventors under 37 C.F.R. §1.131.

It is believed that no fees are believed to be due in association with the filing of this supplemental response to the Office Action. Should a fee be necessary, consider this paragraph such a request and authorization to withdraw the appropriate fee under 37 C.F.R. §§ 1.16 to 1.21 from Fulbright & Jaworski L.L.P. Account No.: 50-1212/INRP:095US.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'ma de la paz', with a long horizontal flourish extending to the right.
